Dig into dirt program, July 9 at Peck Farm Park

GENEVA, IL —Explore the world beneath your feet during the “Dirt is Just a Four-Letter Word” nature program, July 9.

Soil Scientist Kristine Ashpole of the U.S. Department of Agriculture will teach participants about the characteristics and formation of soils. Participants will also learn factors that are important in soil formation, and where to find additional information to better manage this precious resource. Come learn why dirt is so much more than just a four-letter word!

The program runs from 10 a.m. - noon on Saturday, July 9, at Peck Farm Park in Geneva. Registration is \$10. Peck Farm Park is located at 4038 Kaneville Rd., Geneva.

“Dirt is Just a Four-Letter Word” is a part of the “Learn from the Experts” series — classes that are taught by experts in the field and offer in-depth information and learning opportunities about our local ecology. This award-winning series is cosponsored by the Forest Preserve District of Kane County, the St. Charles Park District, the Geneva Park District, and the Fox Valley Park District.

To register, call 847-741-8350 or e-mail programs@kaneforest.com. To view a full roster of Forest Preserve District programs visit www.kaneforest.com.
