It's all about our feathered friends at our March 29 nature program

GENEVA, IL — Are you curious about the birds in your backyard? Want to know more about the birds that migrate in spring? This “Feathered Friends,” nature program is for you.

Join us on an introductory birding adventure, during this naturalist–guided program by the Forest Preserve District of Kane County.

We’ll cover the basics of bird identification — what to look for, how to find birds by silhouette, shape, size, behavior and song. No experience is necessary. We’ll have some binoculars to loan.

Join us on Thursday, March 29, from 10-11 a.m. at Creek Bend Nature Center.

Advance registration is required. Call 630-444-3190 or e-mail programs@kaneforest.com to register.

Creek Bend Nature Center is located within LeRoy Oakes Forest Preserve at 37W700 Dean St., St. Charles.

For more information or to view the full roster of Forest Preserve District nature programs, visit www.kaneforest.com. Find us on social media @forestpreserve.
