Find out about “The Gross, the Bad and the Yucky,” in nature, March 18

GENEVA, IL — Sometimes, the yuckiest things in nature are the coolest.

Consider a bird that pukes on anything that disturbs it. Some spiders make milkshakes from the guts of their prey. Other critters that walk on their snot, and there’s much more!

Join a Forest Preserve District naturalist for this informative nature program, that will include a short hike and an activity.

“The Gross, the Bad and the Yucky,” will take place Sunday, March 18, from 10-11 a.m. at Creek Bend Nature Center, located within LeRoy Oakes Forest Preserve, at 37W700 Dean St., St. Charles.

Advance registration is required. Call 630-444-3190 or e-mail programs@kaneforest.com to register.
