**Part of the Illinois Prairie Path in Batavia to be temporarily closed, Aug. 9-10**

GENEVA, IL — Part of the Illinois Prairie Path in Batavia will be closed Aug. 9-10 for an emergency culvert repair.

The closure is from Hart Road to Raddant Road, and includes the access trail behind Rotolo Middle School. A five-foot trench will need to be dug for the repair, so absolutely no trail access will be permitted in this area, during this time.

The Forest Preserve District of Kane County asks trail users to please mind the barricades, and be aware of the possibility of construction equipment in the project vicinity. There will be signs posted on either side of the closure, to alert trail users.

The District hopes to have the trail back open by Friday, Aug. 11.
