**Nature program teaches outdoor enthusiasts how to “Leave No Trace”**

GENEVA, IL — Learn how to “Leave No Trace” during an April 2 Learn from the Experts program offered by the Forest Preserve District of Kane County and Fox Valley, Geneva, and St. Charles Park Districts.

Leave No Trace is a national and international program designed to assist outdoor enthusiasts with their decisions about how to reduce their impact when they hike, camp, picnic, snowshoe, run, bike, hunt, paddle, ride horses, fish, ski or climb.

Join certified LNT instructor Kim Girard as she walks us through the program’s seven basic principles. Attendees are advised to dress for a possible venture outdoors. The program is Saturday, April 2, from 9-11 a.m. at Hickory Knolls Discovery Center in St. Charles. Registration is \$10.

Learn from the Experts programs are taught by experts in the field and offer in-depth information and learning opportunities. LFE programs are for ages 16 and up. Advance registration is required.

Hickory Knolls Discovery Center in St. Charles is located within West Side Community Park, near the intersection of Campton Hills Road and Peck Road in St. Charles.
