Enjoy an evening walk with the "Noises of the Night" nature program

GENEVA, IL — What's all that racket in the treetops? Come along for a walk on Friday, Sept. 9, from 7-8:30 p.m. to find out!

On this evening walk you will learn about the wildlife that makes so much noise at night. The walk will be held at the Freeman Kame Forest Preserve, located at 40W346 Freeman Rd., Gilberts.

Beginning at dusk, we'll listen to the last of the daytime choristers wind down as the nocturnal insects begin their symphony. Then, we'll stalk some of the six-legged creatures and discover how they play their amazing music. The evening will conclude with a grand finale concert of our own, as we try to match the talents of the insect musicians.

Advance registration is required. Call 630-444-3190 or e-mail programs@kaneforest.com to register. All ages are welcome to this free, family-friendly event.
