**Learn about Burlington Prairie Forest Preserve at Sept. 24 nature program**

GENEVA, IL — Visit Burlington Prairie Forest Preserve on Sunday, Sept. 24, from 1 p.m. - 2:30 p.m. to learn about fascinating preserve history, during our “Sense of Place” program series.

Grasses and wildflowers carpet the landscape of Burlington Prairie. A portion of the preserve is virgin prairie, where the ground has never been broken by a plow. Learn about the natural and cultural history of this special place with Senior Ranger Mandy Morgan and Nature Programs Manager Valerie Blaine.

As we walk along the trail, we’ll discuss changes from the post-glacial landscape through modern times. We’ll take lots of time to identify wildflowers, insects and birds in this one-of-a-kind preserve!

Advance registration is required. Learn from the Experts programs are for ages 18 and above. The registration fee is \$10 per person. Call 630-444-3190 or e-mail [programs@kaneforest.com](mailto:programs@kaneforest.com) to register.

Burlington Prairie is located at 13N240 Engel Rd., Sycamore.

Learn from the Experts programs are taught by experts in their respective fields and offer in-depth information and learning opportunities about our local ecology. The programs are offered through a partnership with the Forest Preserve District of Kane County, St. Charles Park District and Geneva Park District.
