“Take a Hike” in Kane County’s forest preserves this year

GENEVA, IL — Get to know Kane County’s forest preserves better through the Forest Preserve District of Kane County “Take a Hike” program.

The program highlights a different Kane County preserve each month, and provides an activity for the featured preserve. Activity Sheets will be posted on the District’s Web site (www.kaneforest.com) the first week of each month, and may be completed at any time during the year. Some activities may be seasonal.

After completing 6 out of the 12 “Take a Hike” activities, you will receive a free badge, while supplies last.

This program is recommended especially for scouts, youth groups, coworkers, or families to complete together. All 2011 “Take a Hike” activities must be completed and turned in by Dec. 31, 2011.

For more information, call 847-741-8350 or e-mail programs@kaneforest.com.
