Forest Preserve leads May 24 Wildflower Walk

GENEVA, IL — Don't miss the final Spring Wildflower Walk of the season, Tuesday, May 24, from 6-7 p.m. at Johnson's Mound Forest Preserve in Elburn.

Forest Preserve District naturalists will lead this evening walk and highlight the "late bloomers" of spring flora.

"We'll focus on the folklore of flowers and learn fun stories about age-old plants. All ages are welcome to come learn the names and stories of the many wildflowers that grace the woods," said Valerie Blaine, nature programs manager for the District.

Johnson's Mound Forest Preserve is located at 41W600 Hughes Rd., Elburn.

While the program is free, please RSVP to let us know if you plan on attending. For more information or to register for Forest Preserve District nature programs, call 847-741-8350 or e-mail programs@kaneforest.com. Additional program information is also available at www.kaneforest.com.
