Wildlife signs and tracking program held on Jan. 26 at Creek Bend Nature Center

GENEVA, IL — Come see the beauty of winter during our Wildlife Signs & Tracking program, Saturday, Jan. 26, from 10-11:30 a.m.

There are many kinds of animals that brave the Illinois winter. Come to Creek Bend Nature Center for a class on wildlife tracking. After the presentation, we'll head outside to apply what we've learned. We'll explore the habits and behaviors of native wildlife by the signs they leave.

This program is for ages 8 and above and children must be accompanied by an adult. Advance registration is required and the fee is \$5/person. Call 630-444-3190 or email programs@kaneforest.com to register.

Creek Bend Nature Center is located within LeRoy Oakes Forest Preserve at 37W700 Dean St., St. Charles.
