Celebrate the winter solstice with a woodland workday

GENEVA, IL — During this season of giving and celebration, here's your chance to give to Mother Earth and celebrate the return of the sun!

On the shortest day of the year, come out to Creek Bend Nature Center and help restore habitat in the woods. We'll cut invasive brush to help bring sunlight to native oaks, hickories and other plants. After cutting and hauling brush, we'll warm up by a campfire in the waning light.

This program is on Thursday, Dec. 21, from 3-4:30 p.m. at Creek Bend Nature Center. This event is suitable for ages 10 and above. Tools will be provided. Call 630-444-3190 or e-mail programs@kaneforest.com to register.

Creek Bend Nature Center is located within LeRoy Oakes Forest Preserve at 37W700 Dean St., St. Charles.

For more information, visit www.kaneforest.com or search social media for @forestpreserve.
